# PANACHE CONSULTING

# ABOUT COMPANY

Panache Consulting stands as a testament to Deepika's Vision and commitment to reshaping the landscape of sales training and skill development. With a corporate career spanning over 20 years, Deepika brings with her a wealth of experience in B2B, B2C, sales training, sales mentoring, consultative sales, business development, territory management and client management.

# MEET THE FOUNDER

## Deepika Udeshi

Deepika's background in sales is complemented by her commitment to continuous learning and development. She is a KPMG certified Learning and Development professional, which underscores her expertise in creating effective training programs. In addition to her certification, Deepika holds a Postgraduate Diploma in Business Management (PGDBM) with a focus on Marketing Management, as well as a Master of Science degree. This educational background, combined with her extensive industry experience, allows her to bring a unique blend of academic knowledge and practical insights to her training programs.
